Most of the students were organized and smart. We still have children who need counseling and guidance to match with the school expected standards.

5.0 Welfare:

We have tried to maintain our standard in feeding, hygiene and cleanliness. We expect to improve even more with the support of all stakeholders.

6.0 Mobile Phones and other Electric appliance:

This is a reminder that **mobile phones are strictly forbidden**. Any student caught with a mobile phone or appliance in school will serve a suspension and will meet the **damages electric installation**.

7.0 PROM:

We have always had S.6 and S.4 farewell parties wasting students time and being expensive to the parent. With effect from next year we shall have PROM parties in term one and no student will be allowed to make unnecessary movements to borrow

or buy or plait hair in town. Parents are requested to pack modest attire for their children to put on during the PROM functions. Any other necessary services shall be availed to the students inside school.

8.0 Uniform:

There has been theft of school uniforms over the past. Next term we shall not allow any student to enter school with unmarked uniforms. (Marking must be embroidery method). Hooded sweaters and jackets are not allowed in school. School uniform shoes – Black go back to school.
